**And to all fellow NGBs.**

19. October, 2009.

*Dear Johan, and other fellow NGBs,*

On behalf of the Hungarian Field Target Association I am happy to let you know some changes in the Board of the Hungarian Field Target Association.

During our latest Assembly I was elected as the new chairman of the HFTA due to resignation of the former chairman. The address of the HFTA has also changed as it can be seen in the letterhead. Our webpage was not changed. Our contact person (Tom László) did not change.

During our latest assembly we also decided about the date and the place of the Field Target World Championship 2010.

**I officially announce that the Field Target World Championship 2010 will be held in Hungary between 1-3<sup>rd</sup> October, 2010. The place will be near the city Debrecen, in a nice environment, called Bánk (GPS: N47.4871150, E21.7178815).**

We will open a separate webpage for the event already in November 2009, where you will be able to find more information.

Yours Sincerely,

Dr. László BÉKÉSI  
Chairman of HFTA
